

The 2017 Hobby Giveaway Exercise

You've just been given \$10,000 to spend on a hobby of your choice ...

You must spend the money on your hobby only, and you must decide in the next 5 minutes.

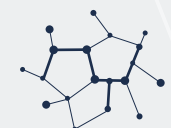

(You must have a justifiable plan for the use of the money. Don't just blow it.)

What do you do first?

Top 3 questions/concerns before making your selection(s):

What was most important factor in determining your purchase?

Name two sources of your information:
